Dear brothers and sisters in Christ,

I first became aware of the good work of The Evangelical Catholic in 2011 when I was an auxiliary bishop in the Archdiocese of Milwaukee. From the very beginning, their zeal for discipleship to equip the laity to make disciples in the world impressed me.

I have continued to follow The Evangelical Catholic and have directly benefited from the continued development and expansion of their work. In particular, as I have implemented our diocesan plan of evangelization, they have been integral in helping many parishes accomplish their pastoral goals to equip every Catholic to live and share the Faith. For this reason, I have been all the more enthusiastic to help them extend their fruitful work since becoming their bishop in the Diocese of Madison.

I highly recommend The Evangelical Catholic to dioceses and parishes that ardently desire to carry out the Great Commission. The Evangelical Catholic partners with ministries very effectively to form and train lay men and women for fruitful, transformative evangelical apostolates in the world.

Sincerely in Christ,
